

N.J.A.C. 13:69J-1.2C LICENSING OF VENDORS DOING NON-GAMING BUSINESS

(a) Pursuant to N.J.S.A. 5:12-92c(2), the Division may require any vendor to apply for a casino service industry enterprise license if such application is deemed to be consistent with the public interest and policies of the Act.

(b) The Division shall give written notice to such vendor of the requirement to file for a casino service industry enterprise license.

(c) An application filed pursuant to (a) above, and any subsequent licensure that may result after investigation by the Division, shall conform to the standards of N.J.S.A. 5:12-92a and b, including the need for the issuance of transactional waivers, and shall include the filing fee for the filing of such application.

(d) Any vendor required to apply for a casino service industry enterprise license pursuant to (a) above shall have the affirmative burden to establish its qualification by clear and convincing evidence.

(e) The Division retains jurisdiction to determine suitability for licensure even if the applicant terminates its relationship(s) with a casino licensee or applicant.

(f) Any vendor required by the Division to file an application shall do so no later than 30 days after receipt of the Division's notice. Failure to file a completed application within 30 days shall be grounds for prohibiting a vendor from conducting any business with a casino licensee and will result in the issuance of a prohibitory order which will be served on the vendor and the casino licensee.

(g) No extension of the 30-day period mandated by (f) above shall be

granted by the Division on the ground of economic hardship or loss to the unlicensed casino service industry in question.

(h) Any vendor prohibited from providing goods or services or conducting business on the basis of its failure to properly file an application may resume providing goods or services or conducting business thirty days following the proper filing of a casino service industry license application, provided that the vendor has:

1. been issued a transactional waiver by the Division;
2. paid the appropriate filing fee; and
3. paid an additional late filing fee of \$500.00.
